## Why am I Running?

### **Supervisors of Elections are the Gatekeepers to Democracy**

and I believe that Pinellas County is best served if all our gates to democracy are opened as wide and as accessible as the law will allow, not closed to the legal minimum.

My experience in the design, development, and management of mission critical computers and electronic systems well qualifies me for a mission to make our **Elections Office a model for Best Practices, Accountability, Transparency, and Trustworthiness.**
